1. If you wish to submit any further information, attach it to the application form.
2. Where “relevant experience” is requested, please provide names and approximate dates (year only) of routes done.
3. The referees named must know you personally and should be able to provide a recommendation of your mountaineering conduct as well as personal standing.
4. For “equipment costs” please list *additional* gear that you need to purchase for this expedition. Do not include the value of the total gear required for the expedition.
5. Should an award be made for your expedition you will be informed telephonically or via email. Method of payment can be arranged at that stage.
