Dear

Re: Application for MCSA Supertramp Award

I attach an “**Application for Grant/Approval**” form as requested.

Please complete the application form and return to me via the emails below as soon as possible. Applications should be received not later than 30 November of the year preceding the expedition.

Please note the following:

1. If you wish to submit any further information, attach it to the application form.
2. Where “relevant experience” is requested, please provide names and approximate dates (year only) of routes done.
3. The referees named must know you personally and should be able to provide a recommendation of your mountaineering conduct as well as personal standing.
4. For “equipment costs” please list *additional* gear that you need to purchase for this expedition. Do not include the value of the total gear required for the expedition.
5. Should the MCSA Supertramp Award committee decide to sponsor the expedition you will be informed telephonically or via email. Method of payment can be arranged at that stage.
6. The MCSA Supertramp Award committee may request you to submit further information regarding routes, planning or budgeting if it feels such information is necessary.
7. The committee must be informed immediately about any changes in expedition objective or its team members. The committee reserves the right to reconsider the granting of the award in the event of significant changes.
8. By specifying the objectives of your expedition, you and your party undertake to make every reasonable effort to achieve these aims. Of course, your personal safety – and that of the expedition members must never be compromised to achieve these objectives.
9. You are expected to familiarise yourself with the laws and regulations of the country you are visiting and abide by those.

Your application will be considered following receipt of the completed “**Application for Grant/Approval**” form. I will contact you soon thereafter (by approx. 16 December).

Yours sincerely

Convenor MCSA Super Tramp Award
